CME-CPD Accreditation

Accreditation Statement and Credit Designation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The 43rd Annual Meeting of the European Society for Paediatric Infectious Diseases, Bucharest, Romania 26/05/2025 — 30/05/2025, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 20.5 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits*™. Information on the process to convert EACCME credit to AMA credit can be found at https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal

College of Physicians and Surgeons of Canada. For more information, visit:

https://www.royalcollege.ca/ca/en/cpd/royal-college-accredited
-cpd-providers/international-accreditation-agreements.html

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
26/05/2025	0.0
27/05/2025	3.0
28/05/2025	8.0
29/05/2025	6.0
30/05/2025	3 .5
Total Credits:	20.5

Educational Objectives

After attending this event, participants should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Analyze the latest advancements in vaccine development, including novel vaccines for respiratory syncytial virus (RSV), cytomegalovirus (CMV), and emerging pathogens.
- Evaluate antibiotic resistance trends and the effectiveness of antimicrobial stewardship programs in pediatric infectious disease management.
- Interpret the role of metagenomics and syndromic molecular diagnostics in improving the detection and management of pediatric infections.
- Compare current and emerging approaches to diagnosing and treating congenital and perinatal infections, including CMV and tuberculosis (TB).

- Assess the implications of mucosal immunity in vaccinology and its role in optimizing vaccine effectiveness.
- Examine the impact of global health challenges, such as climate change and migration, on pediatric infectious diseases.
- Apply new insights into infection prevention and control strategies in hospital and outpatient settings.
- Identify key issues related to sexually transmitted infections (STIs) in adolescents and strategies for prevention and early intervention.

Target Audience

ESPID 2025 is a global meeting place for medical and non-medical health professionals and scientists with an interest in paediatric infectious diseases and vaccines, including students, trainees and career-level professionals working in health services, public health, and international agencies. Because of the diverse, clinically focused educational offering, participants are able to tailor the curriculum to meet the needs of international clinicians of all levels of experience.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before 30 August 2025:

- 1. Access the online system via the following link
- 2. Complete the anonymous online evaluation
- 3. Enter your username (conference registration email) and password (Registration ID) during the credit-claiming

process

- 4. Complete the credit claim form and submit
 - The CME/CPD certificate will be available for download and retained for your records.
 - Please note that web browsers Mozilla Firefox 2.X or higher, or Google Chrome are recommended. Mobile devices are not supported.
 - Kindly note that the ESPID 2025 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.
