We are pleased to share that ESPID is supporting the project **“Bread for Tomorrow”** from the organization World Vision Romania with **100% of the Fund(d) Run’s donation** as well as with an **onsite cash donation box at the ESPID Booth** in the exhibition area.

The **“Bread for Tomorrow”** program, run by World Vision Romania, supports children in rural Dolj County by providing extra educational support and daily hot meals. Students receive two additional hours of school, where they get help with homework and classwork in a multi-classroom setup, allowing for more personalized attention. The program also offers a hot lunch, which is often the only meal these children have. The program aims to improve their educational opportunities and provide a foundation for a better future, despite the challenges they face in rural life.

World Vision Romania is an organization that carries out education, emergency humanitarian intervention, development and advocacy programs, putting the wellbeing of children at the heart of its work. The organization focuses on working with children, families and communities to overcome poverty and injustice.

- A daily hot meal for over 1100 children from 22 schools with 42 school structures, in rural areas in the counties of Botoşani, Călăraşi, Cluj, Dâmboviţa, Dolj, Giurgiu, Iaşi, Olt, Teleorman, Vâlcea, and Vaslui.
- Two hours of homework help and remedial lessons daily after school.
- Themed workshops for children’s personal development, where they learn new things and are encouraged to discover their passions.
- Teacher training sessions, where teachers learn new and engaging teaching methods.

- Workshops for parents and children, which encourage a healthy, collaborative and supportive relationship.
- Summer School, where we aim to keep children actively connected to education even during the vacation. Children have the opportunity to interact in a friendly space and participate in non-formal education activities.
