[20th European AIDS Conference \(EACS 2025\)](#)

15-18 October 2025

Paris, France

The EACS Conference is a hub for clinicians, researchers, community members, and activists. Presented live by experts, you will be introduced to innovations and topics at the forefront of HIV medicine. Themed “From Science to Implementation,” it will feature keynotes and discussions on innovations and challenges in HIV medicine, focusing on prevention, testing, and treatment for vulnerable populations. The Conference provides excellent networking opportunities, allowing you to connect with peers and leaders in the field. [57th Annual SIOP Congress](#)
